The Collect and Readings for the First Sunday after Trinity

O God,
the strength of all those who put their trust in you,
mercifully accept our prayers
and, because through the weakness of our mortal nature
we can do no good thing without you,
grant us the help of your grace,
that in the keeping of your commandments
we may please you both in will and deed;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen

1st Reading: Genesis 12.1-9;

Psalm 33.1-12;

2nd Reading: Romans 4.13-25;

Gospel Reading: Matthew 9.9-13, 18-26

Praying through this week

Praying for each other this month: As we approach the halfway point of the year, this June please pray for all of those in our congregations, wider church family and community whose surnames begin with the letters U, V, W X, Y and Z! Pray that they would each know themselves to be remembered by God and special to him as a unique individual, created with unique gifts to share with the world.

Praying for the World: The men's football World Cup begins this month, with matches spread across Canada, the USA and Mexico. Please pray, as supporters gather around screens across the world, that it will be an opportunity to celebrate and appreciate the skill and sportsmanship of players in many nations and cultures. Pray that, even as we cheer on our favourites and home teams, the World Cup will be a time of shared sporting enjoyment for everyone, and pray against any scheme or plan to use it as a way of dividing people and creating suspicion and hatred.

Praying for the Church: With others across our diocese, please pray this week for the people and leaders of the churches in the Oadby and Great Glen Team Ministry: St Peter's, Oadby; St Paul's, Oadby; St Cuthbert's, Great Glen; St Andrew's, Burton Overy; St Mary the Virgin, Carlton Curlieu. Pray that they will be renewed in hope and vision as they join others in a new Minster Community.

In particular please pray this week for **Margot Comer** and **Katherine Swanson**.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently, and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish – **Guilford Road.**

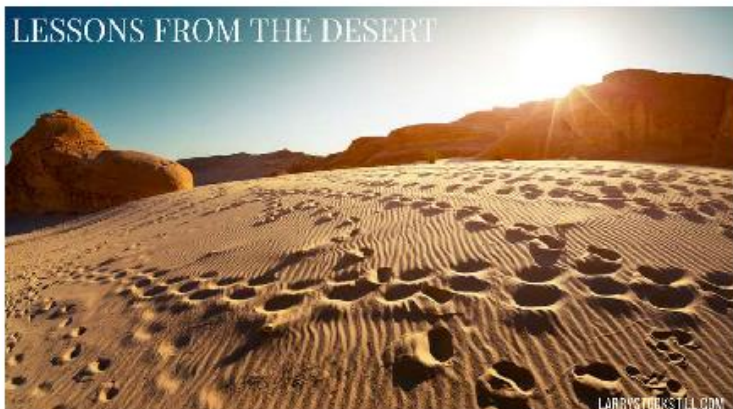

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

Communion at Home: If you find that coming to church on Sundays or for our midweek services is just too difficult, you might appreciate the opportunity for receiving Communion at home occasionally. Please let Adrian know if this would be helpful and we'll see what can be arranged.

PLANNED GIVING SCHEME Regular giving is an integral part of our church life supporting our day-to-day costs, ministry and mission. A good way to achieve this is through a weekly envelope or a monthly bank standing order as part of our Planned Giving Scheme. Scheme details can be obtained from David Hunt, Planned Giving Scheme Secretary: churchwardens@stguthlac-knighton.co.uk. If you are a taxpayer and gift aid your giving, our church can claim an additional 25%.

Lessons from the Desert

Moses emerged from the desert to confront Pharaoh and to lead God's ancient people to the Promised Land – but only after 40 years in the desert once again! Sometimes life today can feel as if we're wandering in a desert, weary and with far to go – but just as God stayed with his people long ago, so he stays with us today and even uses the desert experience to teach us and to shape us.

On each of the six Sundays following Trinity Sunday we'll be looking at some of these '*Lessons from the Desert*' as we follow God's people in their escape from Egypt and into the wilderness, as it's described in the Bible's book of the Exodus. Join us each week at 10.30am for the whole adventure! *Adrian*

Blessing your donations & the Collection Plate

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service.

A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

EcoTip for June: Take part in citizen science or a local nature event. Citizen science is a way for ordinary people to get involved in scientific research or data collection. There are many projects to choose from and it's easy to make a contribution. Invite others to get involved with you too. Here are some projects that you could help with:

If you're heading to the coast at any time then why not search your local beach with a shore survey:

<https://www.wildlifetrusts.org/get-involved/citizen-science-projects/shoresearch>

If you're staying local then why not spend ten minutes counting pollinators in a green space near you: <https://ukpoms.org.uk/>

Join in with Churches Count on Nature (6- 14 June), we're hoping to register that St Guthlac's will be doing something either at the church or in the comfort of your own space:

Do a Bee Walk: beewalk.org.uk

Enjoy taking time to notice nature more closely.

THANK YOU

Very many thanks to everyone who helped and/or supported our Spring Fayre, we raised a fantastic £1,800 for the church and a further £150 for the Malawi mobile health clinics. Thank you.

INEQE Safeguarding Audit of the Diocese of Leicester

The Diocese of Leicester and Leicester Cathedral will soon be taking part in an independent safeguarding audit carried out by the INEQE Safeguarding Group.

INEQE has been appointed by the Archbishops' Council to take an independent look at safeguarding across Church of England dioceses and cathedrals, as well as the National Safeguarding Team.

They want to check how things are working day to day and help us make sure our churches and worshipping communities are places where everyone feels safe, valued and respected.

This audit is a chance to celebrate what we do well, be honest about what we could do better and learn and improve together.

It's an important part of the Church's ongoing commitment to safeguarding and being open, accountable and willing to learn.

The INEQE Safeguarding Audit will begin across the Diocese of Leicester in June 2026, with online surveys opening for up to 8 weeks. The team will submit evidence of our safeguarding practices via INEQE's 360° audit tool, with auditors on site in the diocese and cathedral between 5–9 October 2026. Once published, INEQE's independent safeguarding audit report will be made available on their website, as well as our diocesan and cathedral sites.

You can take part in the survey online or by using the QR code.
