Praying through this week

Praying for each other: Over the last six months we have prayed for everyone who is a member of the Church or part of our wider community of friends and supporters. Now in July, we begin again by praying for all those whose surnames begin with A, B, C and D. Please pray that this summer will be a time when they feel God's restoration and re-building, so that they come to the rest of the year with a fresh purpose and direction.

Praying for the World: Please pray for the people of Venezuela as they struggle to come to terms with the devastating earthquake - pray especially for a well-organised and well-resourced response from their own government and from others around the world. Pray that the disaster will be a catalyst for positive change in Venezuela.

Praying for the Church: As the Mothers Union celebrates its 150th anniversary, under the theme "Join Us, Join In!", pray for this important global movement of 4 million members as it holds major international gatherings, localized outreach challenges, and celebratory services across dioceses worldwide. Pray for the life and mission of local branches everywhere - including our own - with thanks for their commitment and fellowship.

With others across our diocese, please also pray for the people and leaders of the churches in Thurmaston, Birstall and Wanlip, The Deanery of Akeley East (Loughborough) and the Soar Valley Minster Community. Pray for good connections with the community and for fresh vision for the autumn.

In particular please pray this week for **Margot Comer** and **Katherine Swanson**.

Also, give thanks for those who are recovering and who have found God's peace.

Please remember those who have died recently, especially **Beryl Reffin & Margaret Adamson** and pray for their families and friends. We also remember all those whose anniversaries fall at this time.

Weekly prayer for roads in the parish – **Newchurch Close.**

For further prayer requests which can be included in the weekly prayer list or anonymized and prayed for in private, please contact Revd Adrian adrian.jones@zoho.com or Jane administrator@stguthlac-knighton.co.uk

Sad news about Margaret Adamson

I'm so sorry to have to tell you that our long time friend and member of the church community, Margaret Adamson, died at home last week. Earlier that week Margaret had enjoyed the craft session at St Mary's and appeared to be her usual interested and engaging self, so her death so soon afterwards has come as rather a shock. Please remember Margaret's family in your prayers this week - we all send them our sincere condolences.
Adrian

Communion at Home: If you find that coming to church on Sundays or for our midweek services is just too difficult, you might appreciate the opportunity for receiving Communion at home occasionally. Please let Adrian know if this would be helpful and we'll see what can be arranged.

PLANNED GIVING SCHEME Regular giving is an integral part of our church life supporting our day-to-day costs, ministry and mission. A good way to achieve this is through a weekly envelope or a monthly bank standing order as part of our Planned Giving Scheme. Scheme details can be obtained from David Hunt, Planned Giving Scheme Secretary: churchwardens@stguthlac-knighton.co.uk. If you are a taxpayer and gift aid your giving, our church can claim an additional 25%.

Blessing your donations & the Collection Plate

Now many people do planned-giving through their direct debit, it seems inappropriate to hand the collection plate round during a service. The collection plate now will be at the back of the church.

Please leave your donation as you come into the service.

A steward or member of the congregation will take up the plate to the altar for all donations to be blessed during the 3rd / offertory hymn or at a suitable point in non-Eucharist services.

EcoTip for July: It's **Plastic Free July** and this year we're thinking about laundry, a top source of microplastic pollution. Fibres from synthetic clothes (polyester, nylon, and acrylic for example) shed tiny fibres during washing and drying. These enter the sewage systems and are hard to filter out. Use a microfibre bag or ball to catch the fibres. Learn more about reducing plastic pollution in the laundry process at

Ordinations in Leicester 2026 and beyond.

We are approaching Petertide, the traditional season for ordinations in the Church of England. Last year, however, it was announced that here in the Diocese of Leicester the priest and deacon ordinations will move from Petertide to Michaelmas, beginning in 2026. This year the ordination dates are therefore **Saturday 3rd and Sunday 4th October.**

Ordinands beginning their deacon year will be licensed as Lay Workers under Canon E7 from 1 July of that year, to help them embed in a parish and move house, giving a more phased build-up to their ordination.

In the meantime you might like to pray for ordinands approaching their ordination in other parts of the country with this prayer:

God our Father, Lord of all the world,
through your Son you have called us into the fellowship
of your universal Church:
hear our prayer for your faithful people
that in their vocation and ministry
each may be an instrument of your love,
and give to your servants now to be ordained
the needful gifts of grace;
through our Lord and Saviour Jesus Christ,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen.

INEQE Safeguarding Audit of the Diocese of Leicester

The Diocese of Leicester and Leicester Cathedral will soon be taking part in an independent safeguarding audit carried out by the INEQE Safeguarding Group.

INEQE has been appointed by the Archbishops' Council to take an independent look at safeguarding across Church of England dioceses and cathedrals, as well as the National Safeguarding Team.

They want to check how things are working day to day and help us make sure our churches and worshipping communities are places where everyone feels safe, valued and respected.

This audit is a chance to celebrate what we do well, be honest about what we could do better and learn and improve together.

It's an important part of the Church's ongoing commitment to safeguarding and being open, accountable and willing to learn.

The INEQE Safeguarding Audit will begin across the Diocese of Leicester in June 2026, with online surveys opening for up to 8 weeks. The team will submit evidence of our safeguarding practices via INEQE's 360° audit tool, with auditors on site in the diocese and cathedral between 5–9 October 2026. Once published, INEQE's independent safeguarding audit report will be made available on their website, as well as our diocesan and cathedral sites.

You can take part in the survey online or by using the QR code.

A PRAYER FOR THE WORLD CUP

God of glory,
as the world gathers
to celebrate the beautiful game,
we pray for a harmonious and joyous World Cup.
Bring safety and security
for players and officials on the pitch,
fans in the stands, and spectators at home.
May we see and celebrate the hand of God
in the creativity of every curving free kick,
silky pass or impossible save.
May we have compassion and perspective
on the miskicks, missed penalties,
and muddled VARs.
Every winning team needs a losing team
– even if you were the better team.
Let the journey to World Cup glory
be not only for the nation that wins.
May we see something more
of the world you want us to be:
a gathering of every nation
and people who share your glory.
Amen.

St Guthlac's Summer Read

Join us in reading one or two books based on young people's experiences in different world environments

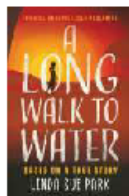

The Boy who harnessed the wind **William Kamkwamba & Brian Mealer (2010)**

Based on a true story of when William Kamkwamba was just 14 years old in Malawi, his family told him that he must leave school and come home to work on the farm – they could no longer afford his fees. He managed to do something extraordinary with very little against the pressure of his family and community. (Now a Netflix film and a RSC musical)

A Long Walk to Water **Linda Sue Park (2010)**

Based on a true stories of two young people in Sudan. In 1985 eleven-year-old Salva is forced to flee on foot when his village comes under attack. Braving every imaginable hardship – including killer lions and hungry crocodiles – he is one of the 'lost boys' travelling the African continent. In 2002 Nya goes to the pond two times a day to fetch water. It takes her eight hours. The two stories intersect in a moving way.

Trash **Andy Mulligan (2014)**

Raphael lives on a dumpsite, eking out a living sifting through rubbish. One unlucky-lucky day, he makes an extraordinary and deadly discovery. Now he and his two friends are wanted by the corrupt city forces who will stop at nothing to get back what they've lost. It will take quick-thinking and fast-talking to stay ahead. And to stay alive. This fictional story is loosely based in Manila.

Where the World turns Wild **Nicola Penfold (2020)**

An ecological futuristic adventure. Juniper Greene lives in a walled city where nature has been banished, following the outbreak of a deadly man-made disease many years earlier. She and her little brother Bear have always known about their resistance to the disease, and dream of escaping into the wild-to the one place humans have survived outside of cities. To where their mother is.

These books are suitable for teenagers and adults. A few copies will be available to borrow from St Guthlac's church and Holbrook Oasis café which meets every Wednesday between 1.30 – 3.30. There will be an opportunity to meet to discuss the books on Tuesday 8th September at 7.00 (with tea & cakes)
